June Programs: Thanks to Lions Kathy Anderson & Travis Gaynor

- ★ June 6<sup>th</sup> - Harvey Schultz, Travel Encourager reviewed his book "The Memories of an Old Geezer" and shared stories about growing up in East Texas.
- ★ June 13<sup>th</sup> - Board meeting
- ★ June 22<sup>nd</sup> - Lion Peck Meier, Part 2 - Finished telling his story about his rental business and hunting stories. Especially interesting was the part about "stealing" a bulldozer to move a huge elk!!! He's also been parasailing, skydiving, and a plane owner/pilot!
- ★ June 27<sup>th</sup> - Lion Kathy Anderson talked to the club about her hobby of genealogy. She was born in Lafayette, LA and has searched her heritage back to the 1500's.

**INSTALLATION BANQUET** Our annual Installation Banquet was held on June 22<sup>nd</sup> and was a big success. Lion Randy Casey was awarded the Melvin Jones Fellow. Congratulations, Lion Randy! Well deserved!

**DONATIONS ACCEPTED** We are still taking donation of \$100 to help offset the cost of our new vision screening device between now and June. The device cost \$7019.50. We are applying for a grant from LCIF for ½ of the cost. If you would like to donate, send your check to Lion Dwayne and note "vision screener" on your check. So far, we have received \$1550 in donations! Thanks, Lions!

**Thoughts**

If you think you're too small to make a difference, you haven't been in bed with a mosquito!

You are the only person on this earth who can use your ability.

One of the secrets of life is to make stepping stones out of stumbling blocks.

No one is in charge of your happiness except you.

You're only young once, but you can be immature indefinitely!
